Dear Mr. Kopp:

On behalf of the Massapequa School District and the students of Massapequa High School...

“Thanks”!

The time you spent working with our students on interviewing skills while providing insight into the 21<sup>st</sup> century workplace was invaluable. It is extremely important that our students spend time with successful executives such as yourself. They experience firsthand, what is important, and required, in today's business environment. I spoke with many students who expressed surprised enlightenment, excitement and inspiration after their meetings with you. You have made a difference in their lives. Thanks for the taking the time to meet with them. I hope that you will be able to join us again and share your insights with the students.

Thanks again!
